

*The Canadian Memorial Chiropractic College (CMCC) is a unique, charitable, not-for-profit educational institution that, for over half a century, has been dedicated to improving the health of society by advancing the art, science and philosophy of chiropractic, educating chiropractors and furthering the development of the chiropractic profession. Our newly built, state-of-the-art facilities are located at 6100 Leslie Street, south of Steeles Avenue. In our pursuit of excellence in educational standards, student and employee services, we require dedicated and resourceful individuals to facilitate in the Department of Radiology.*

**POSITION:** Radiology Faculty – Full Time and/or Part Time

Reporting to the Director of Imaging, we are currently accepting applications for a one (1) full time faculty member or a combination of two (2) or more part time faculty members to teach radiology beginning in June 2009

The faculty member will be required to instruct students in diagnostic imaging (plain film and advanced imaging) including coordinating courses, lecturing and teaching laboratory courses. The position will be required to effectively evaluate students and participate in the examination process. In addition, the position will supervise undergraduate student projects and provide coverage in Clinical Radiology as required. Other responsibilities include participation in division and College meetings and scholarly activities.

**QUALIFICATIONS:**

- Doctor of Chiropractic or Medical Doctor.
- Diplomate, American Chiropractic Board of Radiology (DACBR) or Medical Radiology Board certification
- Ability to prepare and/or contribute to the development of course outlines, learning objectives and assessment tools in their area of instruction.
- Demonstrated expertise in conducting classroom or clinical instruction based upon the learning objectives set out in the relevant course outline(s).
- Outstanding communication and interpersonal skills
- Critical and analytical thinker
- Experience mentoring
- Organization and planning skills

<b>CLOSING DATE:</b>	<b>Open until filled</b>
