

**POSITION AVAILABILITY:  
Faculty, Department of Diagnosis**

The Los Angeles College of Chiropractic (LACC) at the Southern California University of Health Sciences (SCUHS) is seeking an outstanding radiologist to serve as faculty within our Diagnosis Department. This faculty position reports to the Diagnosis Department Chair. The successful candidate will have the following qualities:

**Required:**

- Board Certified Chiropractic Radiologist (i.e. Diplomate of the American Chiropractic Board of Radiology – DACBR)
- Ability to be licensed to practice chiropractic in California within one year of start date, and earns license in that time frame
- Excellent communication skills
- Strong organizational skills

**Preferred:**

- Three or more years of teaching experience at a CCE accredited chiropractic college
- Experience in advanced imaging interpretation
- Radiology consulting practice experience

The University offers a compensation package including, but not limited to, salary commensurate with academic ranking and experience, and a standard faculty benefits package which includes pension (defined contribution plan with TIAA-CREF) and health, dental and vision benefits.

Qualified candidates should submit a letter of intent with their Curriculum Vitae to the Dean of Los Angeles College of Chiropractic, Dr. Todd Knudsen.

Dr. Todd Knudsen  
Dean, Los Angeles College of Chiropractic  
Southern California University of Health Sciences  
16200 E. Amber Valley Drive  
Whittier, CA 90604-1166

The position is open for September, 2009, and applications will be reviewed until a successful candidate is selected. SCU is an equal employment opportunity institution.
